Belt and Stripe Presentations December 16th or 17th

After the exams, a presentation will be made for students moving to their next level. **Presentations will be held during regular class time on Monday December 16th (Children's and Youth) and 17th (Little Dragons).** We are inviting all family members and friends to join us for this special class and cheer on your martial artists. I have made them work hard for these belts and stripes. If you can't make the 16th or 17th I will present the belts or stripes on Wed. Dec 18th before the Christmas Party.

Belt and Certificate Package. Children moving to a new belt colour this grading will need to purchase a belt and certificate package. The cost is \$15.00 and they will be presented at the Belt and Stripe Ceremony.

Christmas Party!

Ohh Yes. Our annual Christmas Party is just around the corner. We will be having our annual Christmas Party on **Wednesday December 18th**. The Party will be during regular Wednesday martial arts class time (6 to 6:50pm). Students from the Monday and

Tuesday programs are invited to attend. As usual for the Christmas Party we are asking each family to bring along a treat or snack to share with the class. I will be supplying the drinks. All students will be welcome to invite a friend to the party.

Christmas Uniforms, T-Shirts and Martial Arts Equipment: If you would like to get your child a uniform t-shirt or equipment for Christmas I will be happy to take "secret" orders and deliveries. Please do not leave it too long to avoid back orders and disappointment. A flyer with options and pricing will be out soon.

New Student Registration in January. We will be accepting new students in January. Please pass on this information to anybody you think would enjoy training in our classes. Healthy classes need new white belts, please keep our club strong by encouraging new students to join. Our first class back after the winter break will be Jan 6th, 7th or 8th.
